Fair '57: Median Between the Past and the Future

BRIAN PETTIGREW
Managing Director

The 1957 edition of the Boys' and Girls' Fair will be presented from May 8 to 11. In keeping pace with the success of past Fairs the 28th Annual Directorate is presenting a complete programme of enterprise and competition.

Perhaps you are surprised at the bright and modern cover that the Fair has placed on its Booklet of Events. However, look to it as a sign that the young people in charge have a terrific enthusiasm that can only be displayed with new, sparkling ideas.

Fair '57, although it is actively directed and advised, could not operate without the generous support of all business firms, means of publication and promotion, Y.M.C.A., School Boards, besides the numerous number of youth taking part. To you we owe our success.

To all citizens of Edmonton and Northern Alberta we extend a sincere wish for you to come down during the week of the Fair and view the exhibits. To you who have commented on the merit of entries in past years, be sure and encourage all young people to take part. They say that "the world of tomorrow is the youth of today". Building a better world is our purpose.

Thanking you again,

BRIAN PETTIGREW,
Managing Director.

A. Write the extract:

WHO WALKS WITH BEAUTY

Who walks with Beauty has no need of fear;
The sun and moon and stars keep pace with him,
Invisible hands restore the ruined year,
And time, itself, grows beautifully dim.
One hill will keep the footprints of the moon,
That came and went a hushed and secret hour;
One star at dusk will yield the lasting boon;
Remembered Beauty's white, immortal flower.
Who takes of Beauty wine and daily bread,
Will know no lack when bitter years are lean;
The brimming cup is by, the feast is spread—
The sun and moon and stars his eyes have seen,
Are for his hunger and the thirst he slakes:
The wine of Beauty and the bread he breaks.
—David Morton.

B. Write the extract:

THE LADY OF SHALOTT

Only reapers, reaping early
In among the bearded barley,
Hear a song that echoes cheerly
From the river winding clearly
Down to tower'd Camelot:
And by moon the reaper weary,
Piling sheaves in uplands airy,
Listening, whispers, 'Tis the fairy
Lady of Shalott.'

D. Write the small letters of the alphabet, not joined.
